

Your Gift for Tomorrow

Family helps family when there's a need. Dad loans his son the car keys for a job interview.

Mom gives the newlyweds the den's sofa when they're starting out. Grandparents buy a savings bond for the new baby. Whatever the reason for giving, the motivation is universal:

A heartfelt desire to help others feel secure in their future.

As empathy grows to embrace a much wider understanding of neighbors as family, individuals will often look for ways to support their shared community for years to come.

The Northeast Kingdom Council on Aging receives bequests that ensure its mission-driven work carries on, helping older Vermonters, adults living with disabilities, and the families who care for them, to live with dignity and independence for as long as possible.

To make a simple legacy gift, please review the details on the other side of this information card.

For more complex gifts – such as trusts, life-insurance policies, personal property or real estate – NEK CoA works with the Vermont

Community Foundation to help donors explore the possibilities and make their legacy gift easy to put in place.

To start a conversation today about how you might leave a gift for tomorrow, please contact the CoA's Development Director

Planned gifts help the NEK Council on Aging provide for responsible and effective financial management.

Because our services and programs may change over time, we encourage a gift to our general operating fund.

It is as simple as inserting either one of these two paragraphs into your will or as a codicil to it:

❖ I bequeath, devise and give the sum of _____ dollars to the Northeast Kingdom Council on Aging, IRS Employer ID Number (EIN) 03-0272861, having its principal offices at 481 Summer St., Ste. 101, St. Johnsbury, VT 05819, for general operating expenses.

❖ I bequeath _____ percentage of my estate to the Northeast Kingdom Council on Aging, IRS Employer ID Number (EIN) 03-0272861, having its principal offices at 481 Summer St., Ste. 101, St. Johnsbury, VT 05819, for its general purposes.
